

VIRO CORNER EQUIPPED MODULAR MERCHANDISER

Modular panels
Metallic accessories for supporting all kinds of Viro products

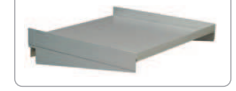

The available accessories are:

Horizontal bars (both for panels 65 cm. and 100 cm. wide) for supporting shelves and fixing brackets

Hooks for blister packaging with a label for showing the prices

Shelves with sides for box packaging and sliders for the prices

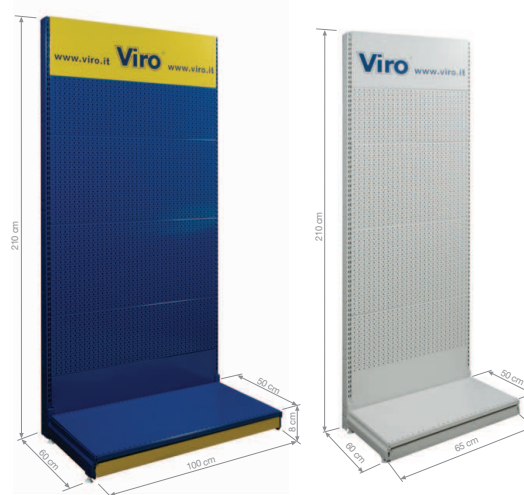

Sliding supports for all kinds of Viro advertising posters

Fixing brackets for wall safes

Fixing supports for gun and safety cabinets

POSSIBLE COLOURS
Blue with yellow finishing (Viro colours): they represent the ideal versions for the new or renewed show-rooms and the customer immediately recognizes the space dedicated to the products presented
White ice: they represent the most suitable versions to be integrated with already existing equipped modular merchandiser, thanks to their aesthetic look that make them suitable to be combined with the most diffused solutions
