

ITEM 483 MERCHANDISER FOR "2RUOTE" PRODUCTS WITH ADVERTISING POSTER

Sturdy steel structure comprising:

- support columns 170 cm high, with adjustable feet 40 cm deep;
- metal grid can be fixed to the columns with hexagonal nuts; after assembly the overall width of the merchandiser is 60 cm;
- 12 hook-holder steel brackets can be clipped on to the grid;
- advertising poster; after fitting the poster to the merchandiser, the total height is 220 cm.

N.B. the advertising poster can also be ordered separately since, as well as being used on the merchandiser, it can also be hung up by using its cord on the back, placed on the counter by folding the rear tabs, or fixed on any kind of surface by using the 4 self-adhesive stickers on the rear corners of the poster.

ITEM 483.0446 ADVERTISING POSTER
